

The universe is buildings. The sets are B=buildings with brick on the outside walls and F=buildings with more than 2 floors.

	$F$		
	$\overline{F}$		
	$B \cap F$		
	$B \cup F$		
	$B - F$		
	$\overline{B} \cap \overline{F}$		
	$F \cap \overline{B}$		
	$\overline{B}$
