

How to say it (for the fraction 6/8)

The numerator (6)

⊘ Don't call it the unit or the unit fraction

Do call it:

- 😊 ✓ The number of units
- ✓ The number of 1/8's
- ✓ The number of parts or pieces.
- ✓ 6 parts of size 1/8

The denominator (8)

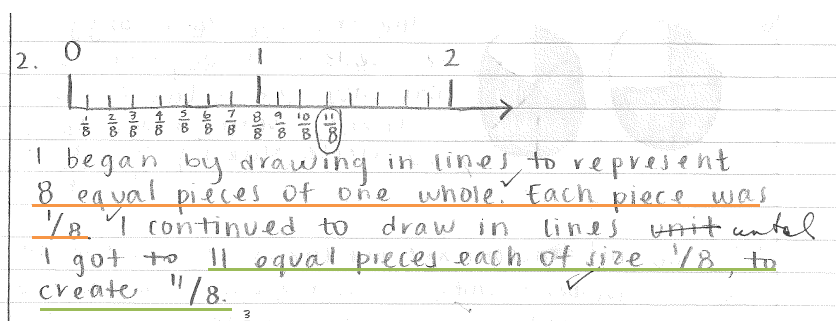

⊘ Don't say:

- ✗ divide by 8 (or divide 6 by 8)
- ✗ 6 out of 8 pieces.

😊 Do say:

- ✓ Divide 1 whole into 8 equal parts
- ✓ The unit fraction size is 1/8
- ✓ Each part has size 1/8

1 and 2: Build and describe a fraction

- Describing the units: make ___ equal pieces of 1 whole to make pieces of size $\frac{1}{\underline{\quad}}$
- Total fraction: make ___ pieces of size ___ to get $\frac{\underline{\quad}}{\underline{\quad}}$
