The universe here is toys. Set C is toy cars, set L is large toys (where large is defined to be toys that won't fit in a shoe box). For each set-notation, please shade in the Venn diagram to match it. For each shaded Venn diagram, please write in the set notation to match it.

C-L	C	C
$L \cap \overline{C}$	C	C
L	C	C
\overline{C}	C	C
\overline{L}		C
$\overline{(C \cap L)}$	C	C
$\overline{C} \cap \overline{L}$	C	C
$C \cup \overline{L}$	C	C
